JUST GOT 2 HAVE IT

All the CELEBRITIES  
are wearing LE TWIST –  
a fun and funky  
new accessory that's called  
Sculptable Jewelry.

Twist it, bend it, shape it, style it...  
Let's do Le Twist!

LE TWIST is a flexible metal loop that can be twisted into any shape—necklace, bracelet, headband, scarf-ring, belt. It holds its shape until you twist it again into a new design. There's no end to what you can do with it!
